Boats are build to ABS standards and have category C C€ marking.

The Purchase Agreement will be sent for your signature after your enquiry.

Building of your boat starts with signing of built contract and transferring of 40% of the contract value to our account.

Preceding payments are 30% at joining of hull and deck, 20% about 2 weeks before sending the boat,

10 % at acceptance in your country.

Your GP26 has a 2 year limited warranty.

All prices are subject to change without notice
